To

The Dewan of Mysore

for orders.

I submit herewith, for your consideration and orders, the question of the appointment of Mr.K.Sanjiva Rao, a past student of the Victoria Technical Institute, Bombay.

When we visited the above Institute in November last, the Professors, as you may remember, spoke very highly of this young man, whereupon you were pleased to accept a recommendation for his employment as a temporary Textile Assistant on Rs 100 per mensem, in the Industries and Commerce Section of the Economic Conference.

2. Mr.Sanjiva Rao has already - secured an appointment. He also says that he has an offer of a permanent - appointment from the Bombay Government. He has telegraphed to say that he does not wish to accept an appointment in Mysore unless he is sure that there are chances of his being kept on permanently. He is a Mysore scholarship

holder

holder and has just completed a four - years' course in the Technical Institute. He seems to belong to this part of the country as his relations are in Bangalore.

3. I request the favour of your sanction to appoint Mr.Sanjiva Rao as a Textile Assistant on Rs 100 per mensem, till the end of June 1912, with a promise of finding permanent employment for him if he gives satisfaction.

Besides being a Textile expert, he also holds a Mechanical Engineer's certificate under the Bombay Prime movers and steam boilers Act. He might therefore be eventually drafted to the Public Works Department if at any future time there was no work for him in the Industries and Commerce Section. This is of course unlikely, considering we are at present only at the beginning of the work for developing textiles (both cotton and silk) for which there is a wide field in the Province.
